FURTHER INFORMATION**General information on the wall elements:**

1. Name of the stand system: MBA Mila Wall
2. By default, the walls have a smooth, white surface (various foil coatings bookable for an extra fee)
3. The size of the wall elements is: 1 m x 3 m (width x height)
4. The walls cannot be perforated, cut, painted, wallpapered, etc. We recommend Power Strips for wall decorations. (damaging -of the walls can lead to subsequent billing. Per wall we charge min. € 65, per door min. € 176.20 and -€ 25 per necessary working hour.)
5. For more information about the stand system visit: www.mbawalls.com

NOTE:

1. In the shell scheme package you can choose the rug colour – all other products are full packages and only bookable as listed in the registration form. Change requests must be made before the event.
2. In the shell scheme package the allocation of the spotlights will be preferably at the back wall, evenly spaced.
3. If you wish to have spotlights at the front side of the stand (possible from a stand size of 12 m²) please send us an individual request. Extra costs might arise.
4. All additional orders concerning the stand construction must be ordered in advance. Otherwise, the following default fines will be charged: 25 % after the shop's closing.
5. Booth cleaning is not included in the stand packages. The stand will be handed over in a clean condition by the stand constructor. Afterwards the exhibitor is responsible for the cleanliness. If desired you can book a stand cleaning service for an additional fee.
6. The setting up of roll-ups or pop-ups is prohibited at the mini market stalls.
